# Overview

# Zagro Global Presence

A subsidiary of Zagro Singapore Pte Ltd.

In Agrisolutions  
Since 1953

Always Innovative  
Performance Driven  
Serves Like No Other

[www.zagro.com](http://www.zagro.com)

FAMI-QS · GMP · HACCP · ISO 22000 certification · ISO 17025 accredited laboratory · ISO 9001 certified

The image features a world map with numerous 'ZAGRO' labels placed across various continents, including North America, South America, Europe, Africa, Asia, and Australia. To the left of the map is a circular inset containing a collage of various agricultural products and equipment, such as fertilizers, pesticides, and farm machinery. Below this inset are three curved banners with the text 'Always Innovative', 'Performance Driven', and 'Serves Like No Other'. At the bottom left of the map area is the website 'www.zagro.com', and at the bottom center is a list of certifications: 'FAMI-QS · GMP · HACCP · ISO 22000 certification · ISO 17025 accredited laboratory · ISO 9001 certified'.

# As part of Zagro

## Expanded Capacity

The ability to increase production capacity allows us to efficiently handle larger volumes and a diverse range of product lines

## Export feasibilities

Enables us to effectively expand our reach in global markets

1

## Innovation and R&D

Cutting-Edge Laboratory Services at Pacific Lab Services, Singapore

2

3

## Global Connectivity

Under Zagro, global connectivity enables us to forge new partnerships and enhance collaboration

4

# PL Agro Agrochemical Division

**PLAGRO**

*A subsidiary of Zagro Singapore Pte Ltd.*

**Chengalpattu Dt, Tamil Nadu  
India - 603303**

## Location

Located in 146, Kilavalam village,  
Madhuranthakam(Taluk),  
Chengalpattu Dt,  
Tamil Nadu, India - 603303

## Specialization

Specializes in the toll formulation of  
agrochemicals & Repacking of Crop  
Nutrition products.

## Facility

PL Agro's manufacturing facility is  
equipped with state-of-the-art  
Laboratory, equipments and  
technology

## Core activities

- **Agrochemical Formulation**

- **Import & Repacking of Plant Nutrition products**

# In-Flight Tolling Projects

**PLAGRO**

*A subsidiary of Zagro Singapore Pte Ltd.*

## Agrochemical Formulation

Liquid Form  
(SL, EC, SC & ME)

12 unique types of agrochemicals

Packing range from 100 ml to 200 Ltr

Powder form  
(WP, DF, DS, WG)

6 various agrochemical formulations

6 gm to 500 gm

## Import and repackaging

Liquid Form

4 diverse plant nutrition products

100 ml to 5 lit

## Early Stages

**1**

**Initial Capacity** - Facilities in the Plant were limited with a capacity of 6KL per day

- ✓ Two Nos of 3000Ltr Capacity Formulation Tank
- ✓ Solvent Storage capacity of 16000Ltrs
- ✓ Three Nos of Manual Filling Machine.
- ✓ Two Nos of Can Seaming Machine
- ✓ Two Nos of Shrink Wrapping Machine

**2**

**Product Growth**

- ✓ PL Agro began with 3 molecules and expanded to 18

## Infrastructure Enhancement

- Over the years PL Agro enhanced its infrastructure to meet the increased market demands.

Facility	Capacity	Product
EC Liquid Formulation & Packing	5000KLPA	Crop Protection Products
SP Products Formulation & Packing	120MTPA	Crop Protection & Public Health Products
Herbicide EC Formulation & Packing	750KLPA	Herbicides
Plant Nutrition Import & Repacking	1500KLPA	Plant Nutrition Products

# Infrastructure Enhancement

A subsidiary of Zagro Singapore Pte Ltd.

# Manpower Strength

**PL Agro has over 50 Employees in Finance, Accounts, Technical, Manufacturing, R&D, Laboratory, Procurement & logistics ,Import, Sales, and Marketing**

**We have the capacity to manage up to 250 workers for tolling**

# Regulatory Compliances

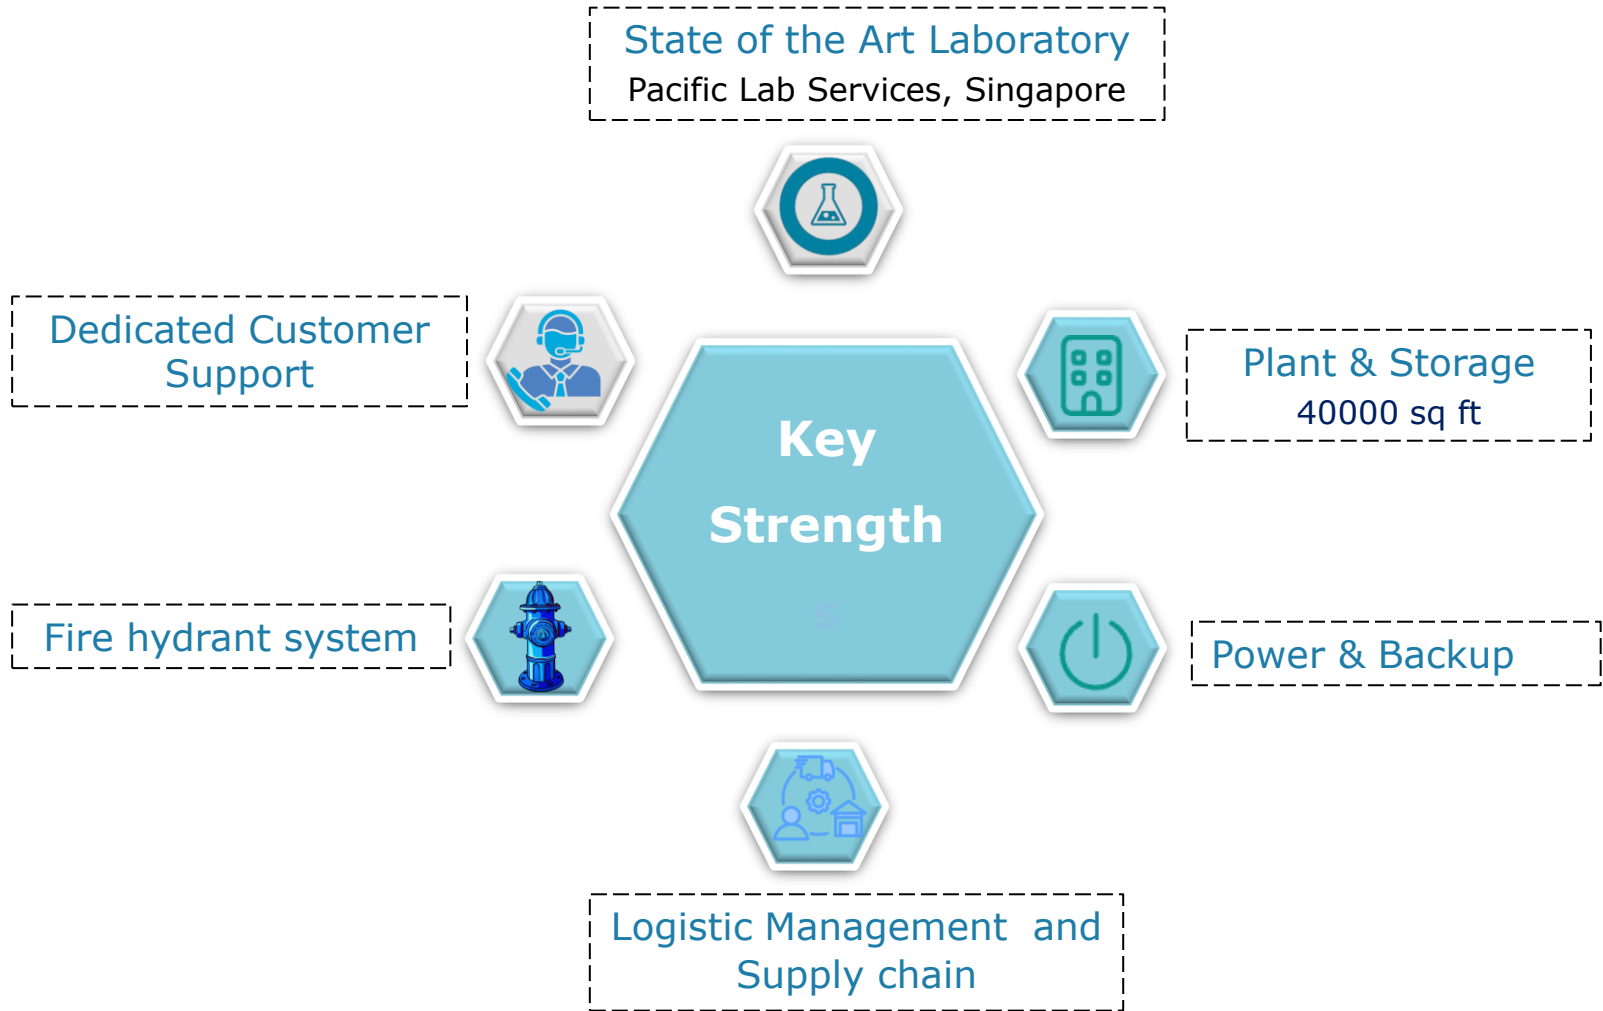

We have met all regulatory requirements in accordance with government standards including

- ✓ SSI Certificate
- ✓ IEC Certificate
- ✓ Fire Licence
- ✓ Manipulation Certificate
- ✓ Explosive Licence
- ✓ Solvent Storage Licence
- ✓ Air & Water Concent from TNPB

- ✓ Hazardous Waste Authorization
- ✓ Motor Running Licence
- ✓ Lifting Tackle Certificate
- ✓ Building Stability Certificate
- ✓ Sanitary Certificate
- ✓ Manufacture Licence,
- ✓ Packing Licence, etc.,

# Key Strengths

# State of the Art Laboratory

A subsidiary of Zagro Singapore Pte Ltd.

Your Trusted Partner  
Since 1971

## Testing Services for Food and Beverage, Feed and Agrochemical Industries

- Nutrition Labelling
- Food/Feed Contaminants
- Microbiological Indicators
- Amino Acid Profile
- Heavy Metals & Minerals
- Food Pathogens
- Fatty Acid Profile
- Preservatives
- Disinfectant Efficacy
- Alcohol Profile
- Mycotoxins

Rigorous quality testing

Dedicated to research and development

Advanced analysis equipment

# Storage

Ample space for storage, and distribution activities

A 100KL solvent storage yard

# Power & Backup

HT Power Station  
500 KVA

Spare  
200 KVA Capacity

Power backup  
125 KVADG

# Logistics Management and Supply Chain

## Strategic Location for Seamless Transportation

Our location is strategically advantageous, situated near both the seaport and airport, providing convenient access to diverse transportation options.

### Seaport Access

### Airport Proximity

### Road Network Connectivity

# Logistics Management and Supply Chain

## Efficient Warehousing and Inventory Management

Our warehousing facilities provide secure and efficient storage for your goods, ensuring optimal inventory management

## Dedicated Customer Support and Communication

9500989253

[vcare@plagro.in](mailto:vcare@plagro.in)

### Scheduled Meetings

We conduct regular meetings to discuss project progress and address any concerns

### Transparent Reporting

We provide detailed reports on shipment status, delivery timelines, and any potential delays

# Safety is our first priority

- We maintained a record of zero injuries among workers until the plant started operations
- We provide all necessary safety equipment, including gloves, goggles, masks, coats, and more.

# Safety is our first priority

**Fire hydrant system**

## Growth Potential

### Scope

Able to expand the repacking of crop nutrition products for both imported and domestic markets

### Innovation & Customization Options

Ready to invest in new product development and tailor solutions to meet every customer's needs

### Capacity

Willingness to expand into additional formulation types, such as SC and WDG, based on market needs

# Join Our Team

**PLAGRO**

*A subsidiary of Zagro Singapore Pte Ltd.*

We warmly invite you to become part of our team.

- ✓ In summary, PL Agro's production facilities are committed to innovation and excellence in toll formulation, tailored to meet your market demands.
- ✓ Together, we can drive growth and achieve success.

Thank you for considering PL Agro as your partner. We look forward to exploring how we can work together to achieve our shared goals.
